

As the start of camp gets closer, we will be sending out reminders. We post these reminders on our [News/Forms Section/Camp Information section](#) of our website so you may revisit them as needed.

### **SWIMMING - MUST REGISTER SEPARATELY**

- Swimming occurs each Thursday at Seymour High School - must register separately (no added cost)
- Children must be comfortable in the water and be able to maneuver the shallow end on their own - counselors do not go in the water.
- Floatation devices are not allowed.
- If your child is not registered to swim they may stay at camp and there will be activities for those that remain each Thursday.
