Christmas in Branson

with 7 Shows plus St. Louis Casino

November 10-15, 2018 * 6 Days/11 Meals

One of America's most popular tour destinations, Branson has become the world's live entertainment capital. We'll enjoy the very best of Branson's entertainers, and upscale accommodations, on this 6-day tour. We'll fly to **St. Louis** and visit its famous **Gateway Arch** on a guided city tour, with accommodations and dinner at the **Hollywood Casino St. Louis Hotel** along the Mississippi River. After breakfast on Day 2 we head south to **Springfield, Missouri** to visit the original **Bass Pro Shop** - 'Grand-Daddy of all Stores'. Enjoy a private lunch in the **Uncle Buck Room** and enjoy the region's largest freshwater aquarium. We arrive in the Ozark Mountain town of **Branson** and check into our full-service hotel for the next four nights - **The Grand Oaks**. This evening experience a **Silver Dollar City Christmas** with holiday decorations, parades, a five story Christmas tree, a **Broadway style** show and **dinner**. After breakfast on Day 3, spend the morning at **Branson Craft Mall** with over 200 unique vendors. This afternoon enjoy the **Daniel O'Donnell Christmas** show at the **Lawrence Welk Theater**. Dinner tonight is a **Steak and Ribs Feast** followed by **Presley's Country Jubilee Christmas Show**. One of Branson's longest running productions, the show features hilarious comedy and music with a Christmas theme. The next morning we visit **Branson Landing**, a waterfront shopping and entertainment venue offering fountain shows, discount outlets and several dining options. Later we take in two shows, starting with a **dinner cruise** aboard the paddlewheeler **Branson Belle** with a live variety show. Afterward we enjoy **The Haygoods Christmas**, a lively family show with dancing, music, tight harmonies and

special effects. On Day 5, get ready for a full day of unique visits, starting with the **Titanic Museum**. Take the 'passenger's experience' and walk the hallways, visit cabins, mount the Grand Staircase, touch the iceberg and try to stand on the sloping decks. Next, we visit a local winery for some samples in a beautiful country setting, topped off by their new exhibit showing the **Ozark** way of 'Moon-Shining'. This afternoon see the mind-dazzling 'Acrobats of China' with stunning costumes, sets and flying acts. Dinner tonight is at the **Outback Steak and Oyster Bar**. Our final show is the **Andy Williams Christmas Extravaganza** featuring the **Osmond Brothers** and **The Lennon Sisters** performing classic hits and Holiday songs. On our last day we return to **St. Louis** for our flight home with cherished memories of our Ozark Country Christmas.
