

Seymour Recreation CIT Program

Our Counselor in Training (CIT) program is a great opportunity for 9th, 10th & 11th graders (14 & 15 year olds) to learn what it takes to be a Camp Counselor.

The goal of the CIT Program is to find participants that have a true desire to work with children and who may want to be considered for a counselor position in the future. Through hands on experience counselors in training will participate in planning, implementing activities, and oversight of campers. Counselors will develop leadership skills, child safety, and conflict resolution skills. Each CIT will be assigned to a Senior Counselor and a group or a special project.

A CIT is expected to work with their Senior Counselor to encourage campers to participate in activities in a safe and fun environment. CIT participants may be evaluated mid-way and at the conclusion of the camp.

To apply for the CIT position go to seymourcommunityservices.com select the 2018 Playground Camp Employment Program, and click on the CIT activity on the program page. Please check with your parents to see if your family already has an established account. Log in or create an account, select your name and apply. The cost of the program will be applied during check out. Select the no payment option. You do not need to pay for the program until you are accepted into the program.

Please check your email regularly. Applicants will be contacted via email for both the interview and acceptance into the CIT Program.

All applications must be received by April 22, 2019. Spots are limited and based on total camper registrations.
