

As we enter the winter season, we want to remind you of the Community Center's Inclement Weather Policy to ensure everyone's safety during adverse conditions.

We follow Seymour Schools' weather closures & delays:

- **School Closures:** All programs are canceled
- **Delayed Openings:** The Community Center will open and Programs will begin at 10 am
- **Early Dismissals:** All afternoon and evening programs are canceled

Weekend Programs: For weather-related delays or cancellations, we will notify participants via email and text.

Instructor-Specific Cancellations: Please note that individual classes or programs may be canceled at the instructor's discretion due to travel conditions, even if school status differs. We will email & text registrants.

Thank you for your understanding. Please reach out if you have any questions.
